Price: **299.00 zł** gross / 243.09 zł net

Manufacturer: EXTRALINK

Referention number: DNXFMLLPMRMNIN

Information:

The EXTRALINK 4U 600 × 450 rack cabinet is a solid grey 19" enclosure for wall mounting or floor-standing use, ideal for offices, server rooms and CCTV installations. Made from durable cold-rolled steel, it has a welded frame and front doors made of tempered glass that can be opened to the left or right with an angle of over 180°. Removable side panels with locks make access easy, while the marked 4U rails ensure convenient equipment installation. The top is designed for 2 fans and an additional cable entry, and cable routing openings are also located in the upper and lower parts of the enclosure.

Full product description

EXTRALINK 4U rack cabinet 600 x 450 grey

The **Extralink** rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. External walls are made of cold-rolled steel sheet, while the front door has a tempered glass pane with the possibility of opening to the left or right side.

Clearly marked cabinet height

The vertical rails have a corresponding height designation which is **4U (unit)**. The total height of the cabinet is **28 cm**.

Easy removal of side walls

Snap fasteners on the side walls allow for their disassembly. **Locks and keys are included.**

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Ceiling adapted to the installation of fans

On the ceiling of the cabinet there are **2 places to install fans** for better cooling of the devices and **additional conduit** for pulling out cables.

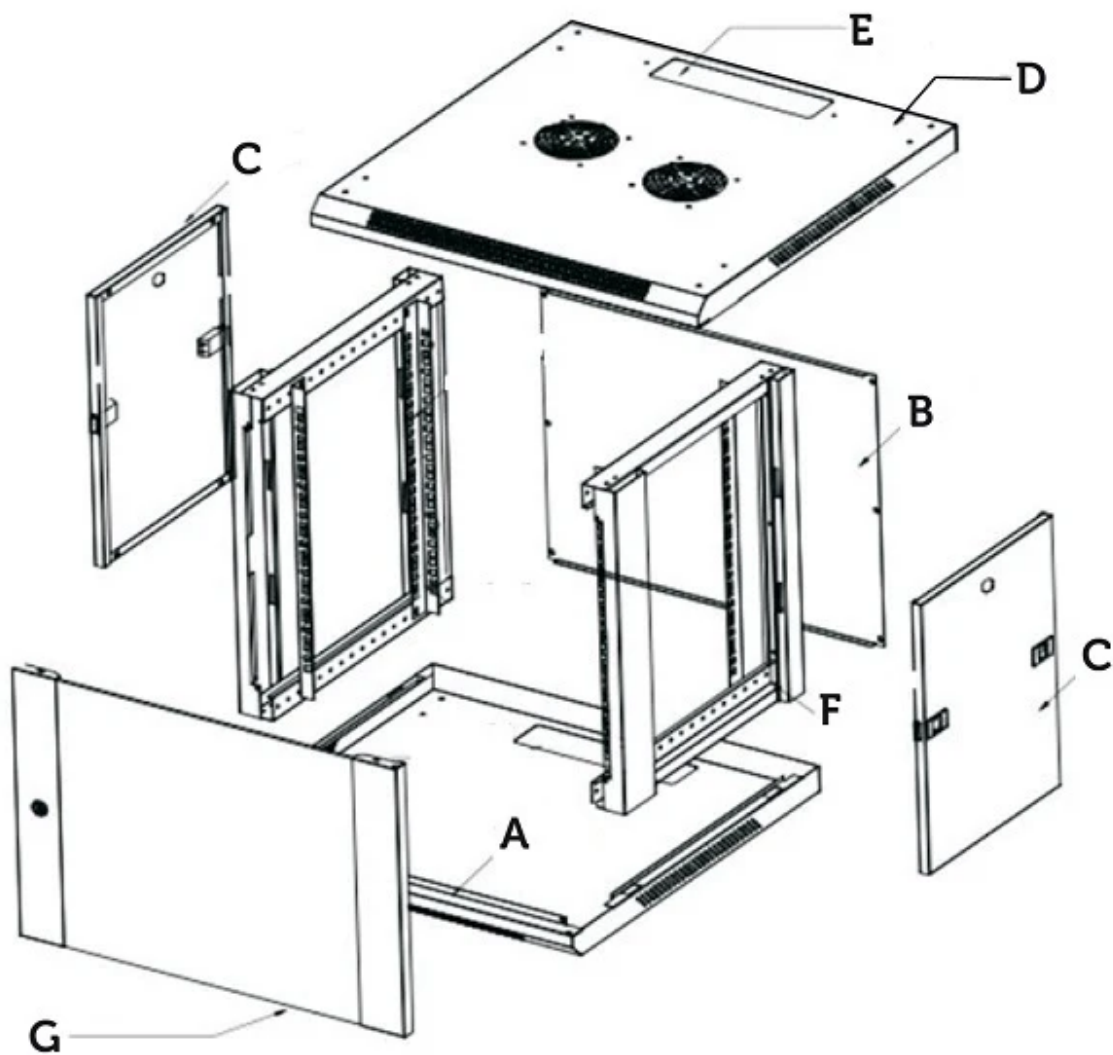

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Wardrobe construction:

- A – Ściana dolna, spód
B – Ściana tylnia
C – Ścianki boczne, wypinane
D – Górna pokrywa
E – Otwór na kable
F – Rama
G – Drzwi

Features:

- Standard 19" mounting, welded frame, reliable design
- Frame construction is prepared for self-assembly, easy to move and transport, this reduces shipping costs
- Standing/Wall Mounting
- Easy installation (patent)
- Removable side panels
- Holes for cable entry on both the top cover and the bottom panel
- Tempered glass front door, rotation angle exceeds 180 degrees
