Price: **259.00 zł** gross / 210.57 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFNLJDRMLNP

Information:

The EXTRALINK 6U, 10" rack cabinet is a solid, welded construction for wall mounting or floor-standing installation, ideal for offices, server rooms and CCTV installations. Made of cold-rolled steel, it is equipped with front doors made of tempered glass that can be opened to the left or right with an angle of over 180°. Clear 6U height marking makes equipment installation easier, while removable side panels provide convenient access. The cabinet has cable entry holes at the top and bottom, as well as a prepared space for a fan for better cooling. Its compact height of 37 cm and easy assembly increase functionality and ease of use.

Full product description

EXTRALINK 6U 10" rack cabinet

The **Extralink** rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The external walls are made of cold-rolled steel sheet, while the front door has a tempered glass pane with the possibility of opening to the left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

Vertical rails have a corresponding height designation, which is **6U (unit)**. The total height of the cabinet is **37 cm**.

Easy removal of side walls

Clips on the side walls allow for their removal.

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Ceiling with fan installation possibility

On the ceiling of the cabinet there is **space to install a fan** for better cooling of the devices, as well as **additional conduit** for pulling out cables.

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Cabinet construction - drawing

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
