Price: **369.00 zł** gross / 300.00 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFMPMGRMMLI

Information:

The EXTRALINK 6U 600 x 450 rack cabinet with metal doors is a solid, wall-mounted 19" cabinet for offices, server rooms and CCTV installations. Made of cold-rolled steel, it provides durability and reliability. The front doors can be fitted to open to the left or right, and their opening angle exceeds 180°. Removable side panels make access easier, and locks and keys are included. The cabinet is marked with a 6U height, has a total height of 37 cm, space for 2 fans, and additional cable entries at the top and bottom, making cable management and device cooling easier.

Full product description

EXTRALINK 6U 600X600 rack cabinet with sheet metal doors

The **Extralink** rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The external walls are made of cold rolled steel. The door can be opened to the left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

Vertical rails have a corresponding height designation, which is **6U (unit)**. The total height of the cabinet is **37 cm**.

Easy removal of side walls

Snap fasteners on the side walls allow for their disassembly. **Locks and keys are included.**

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Ceiling adapted to the installation of fans

On the ceiling of the cabinet there are **2 places to install fans** for better cooling of the devices and **additional conduit** for pulling out cables.

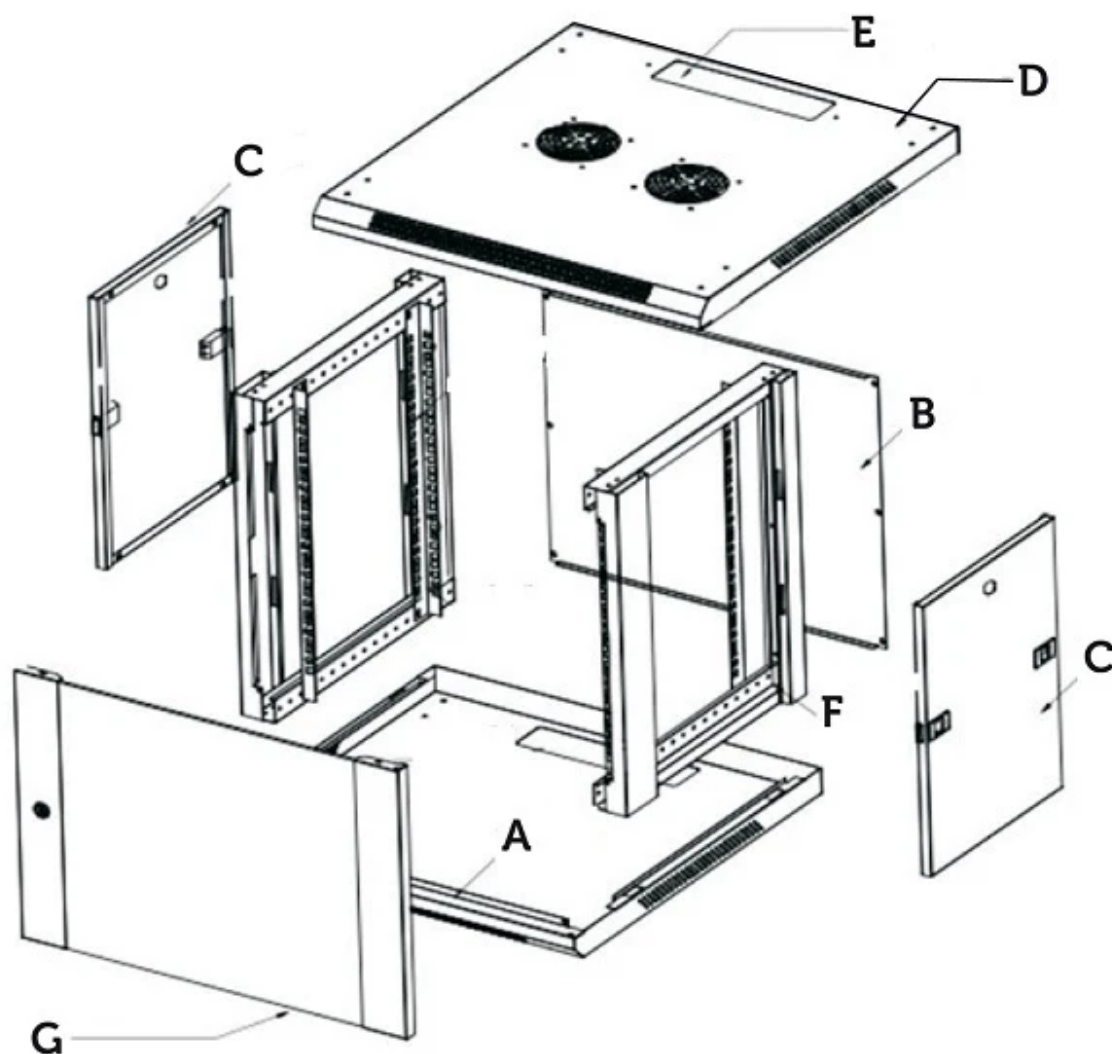

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Wardrobe construction:

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
- E – Otwór na kable
- F – Rama

Features:

- Standard 19" mounting, welded frame, reliable design
- The frame structure is prepared for self-assembly, thus it is easy to move and transport, reducing shipping costs
- Standing/Wall Mounting
- Easy installation (patent)
- Removable side panels
- Holes for cable entry on both the top cover and the bottom panel
- The door opening angle exceeds 180 degrees
