Price: **399.00 zł** gross / 324.39 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFMPMFRMMKJ

Information:

The EXTRALINK 6U 600×600 rack cabinet is a solid, steel 19" cabinet for wall or floor mounting, ideal for offices, server rooms and CCTV installations. Made from cold-rolled sheet steel, it ensures durability and reliability, and the full metal doors can be fitted to open to the left or right. The 6U designation makes equipment organisation easier, and the overall height is 37 cm. Removable side panels with locks and keys increase maintenance convenience, while two fan mounting positions and a cable entry point in the top section improve cooling and cable routing. The self-assembly design makes transport easier and reduces shipping costs.

Full product description

EXTRALINK 6U rack, 600x600, with tin doors

The Extralink rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The external walls are made of cold-rolled steel sheet. Cabinet doors are made of solid sheet metal with the possibility of opening to the left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

Vertical rails have a corresponding height designation, which is **6U (unit)**. The total height of the cabinet is **37 cm**.

Easy removal of side walls

Snap fasteners on the side walls allow for their disassembly. **Locks and keys are included.**

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Fan-installed ceiling

On the ceiling of the cabinet there are **2 places to install fans** for better cooling of the devices, as well as **additional conduit** for pulling out cables.

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Cabinet construction - drawing

- A – Ściana dolna, spód
B – Ściana tylnia
C – Ścianki boczne, wypinane
D – Górna pokrywa
E – Otwór na kable
F – Rama
G – Drzwi
