Price: **459.00 zł** gross / 373.17 zł net

Manufacturer: EXTRALINK

Referention number: DNXXGFMLIRMMMI

Information:

The Extralink AZH 6U 600 × 600 two-section rack cabinet is a solid 19" mounting solution for offices, server rooms and CCTV systems. Made of cold-rolled steel, it features a welded, reliable construction and front doors made of tempered glass that can be opened to the left or right, with an angle of over 180°. The two-section design provides convenient rear access to the equipment, while the removable side panels make servicing easier. The cabinet is marked 6U, has a height of 37 cm, can be wall-mounted or used as a freestanding unit, has space for 2 fans, and includes additional cable entry points at the top and bottom.

Full product description

EXTRALINK rack cabinet AZH, 6U, 600x600, two-sectional

The **Extralink** rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The external walls are made of cold-rolled steel sheet, while the front door has a tempered glass pane with the possibility of opening to the left or right side. Two-section construction facilitates access to the installed components from the back.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

Vertical rails have a corresponding height designation, which is **6U (unit)**. The total height of the cabinet is **37 cm**.

Easy removal of side walls

Snap fasteners on the side walls allow for their disassembly. **Locks and keys are included.**

Professional locking rack cabinet

Protection, order and
aesthetics in one.
Perfect for organising
home spaces, offices and
server rooms.

Fan-installed ceiling

On the ceiling of the cabinet there are **2 places to install fans** for better cooling of the devices, as well as **2 additional passages** for pulling out cables.

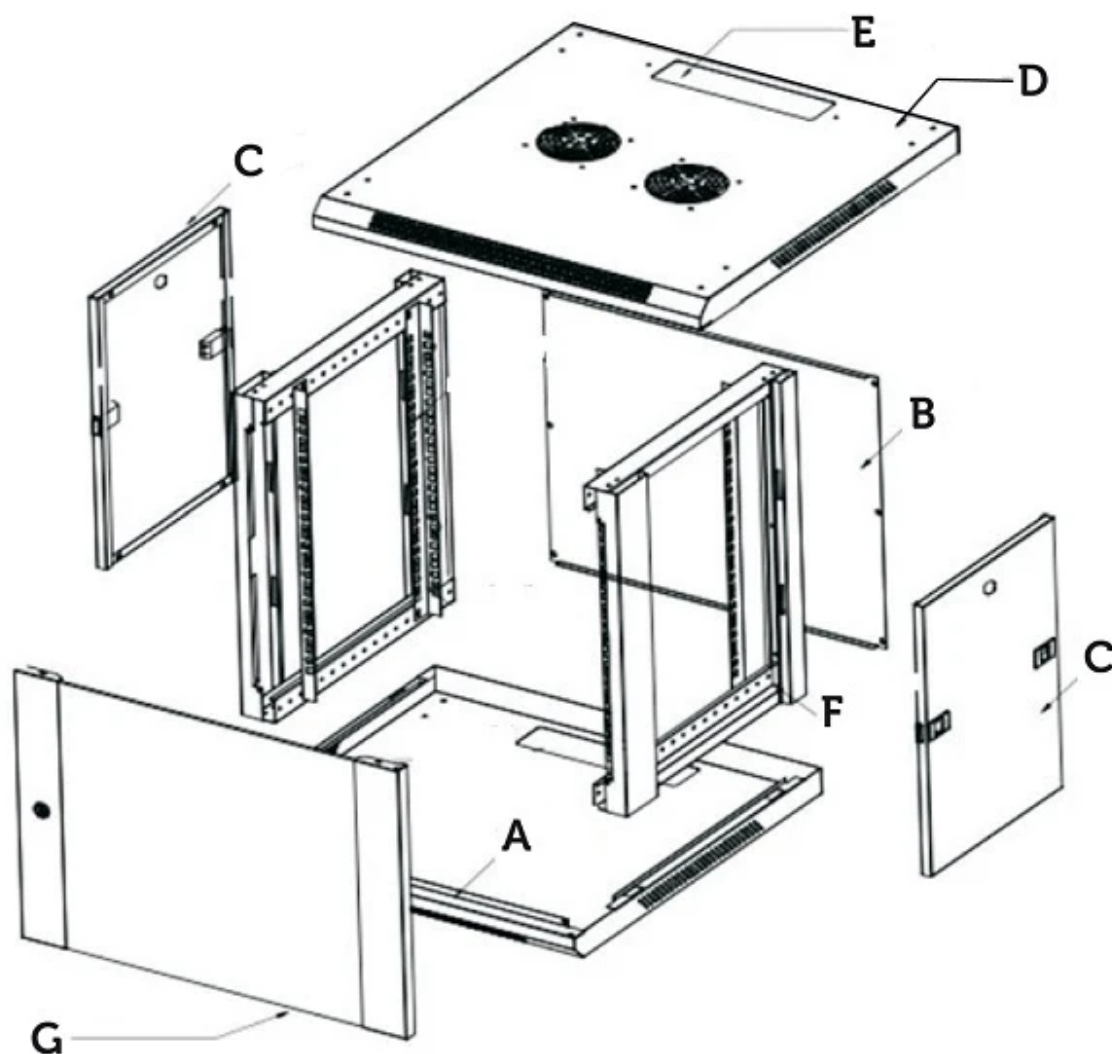

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Cabinet construction - drawing

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
