Price: **459.00 zł** gross / 373.17 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFMPLJRMNH

Information:

The EXTRALINK AZH 6U 600×600 rack cabinet is a robust, two-section 19" cabinet for wall-mounted or floor-standing installation, ideal for offices, server rooms and CCTV systems. Made from cold-rolled steel sheet, it ensures durability and reliability. The front doors made of tempered glass can open to the left or right and swing open beyond 180°, while the removable side panels make installation and servicing easier. The 6U height marking and vertical rails help with equipment organisation. The cabinet is prepared for 2 fans, has additional cable entry points at the top and bottom, and includes locks with keys. The two-section design provides convenient rear access to the devices.

Full product description

EXTRALINK rack cabinet AZH, 6U, 600x600, two-sectional

The Extralink rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The external walls are made of cold-rolled steel sheet, while the front door has a tempered glass pane with the possibility of opening to the left or right side. Two-section construction facilitates access to the installed components from the back.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

Vertical rails have a corresponding height designation, which is **6U (unit)**. The total height of the cabinet is **37 cm**.

Easy removal of side walls

Snap fasteners on the side walls allow for their disassembly. **Locks and keys are included.**

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Fan-installed ceiling

On the ceiling of the cabinet there are **2 places to install fans** for better cooling of the devices, as well as **2 additional passages** for pulling out cables.

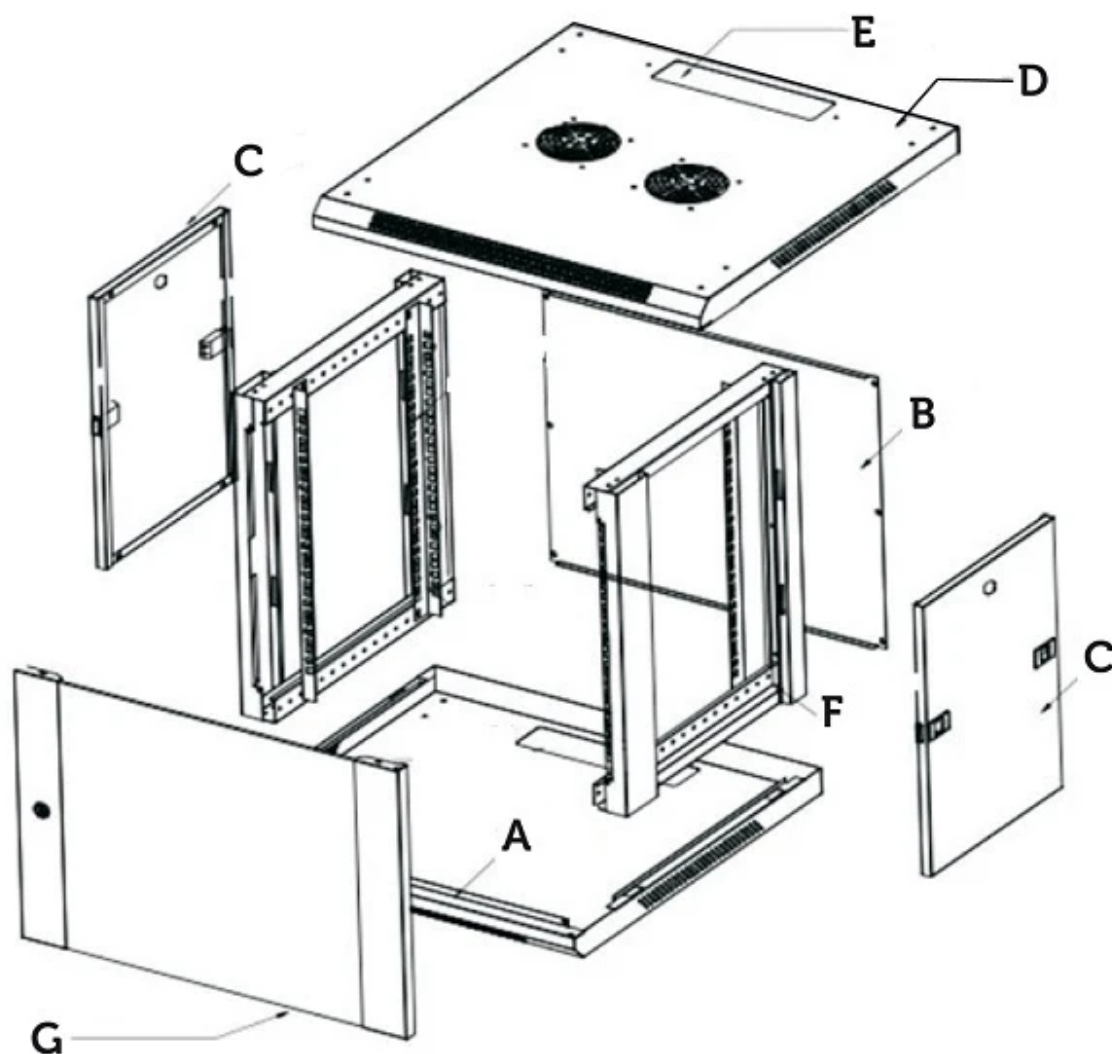

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Cabinet construction - drawing

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
- E – Otwór na kable
