Information:

The Extralink 6U 600x600 black rack cabinet is a compact and aesthetically pleasing solution for the organised installation of network devices in small rooms, offices, server rooms, garages or utility rooms. Wall mounting saves space, while the 19" standard makes equipment installation easy. The welded steel construction, removable side panels and cable entry holes ensure convenient use. Tempered glass doors with a key lock protect the equipment from dust and unauthorised access. The option to install a fan supports cooling, and the simple assembly makes for quick setup.

Full product description

EXTRALINK brand rack cabinet in black - 6U, 600 × 600

Extralink rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. External walls are made of cold rolled steel sheet. Equipped with tempered glass front door can open to left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

The vertical rails have a corresponding height marking, which is **6U (from unit)**, while the total height of the cabinet is **37 cm**.

Easy disassembly of side walls

The latches on the side walls allow for removal. **Locks and keys are included.**

Professional locking rack cabinet

Protection, order and
aesthetics in one.
Perfect for organising
home spaces, offices and
server rooms.

The ceiling of the cabinet adapted for the installation of fans

On the ceiling of the cabinet, **2 places** are prepared **for installing fans** for better cooling of the equipment, **an additional conduit** for cable pulling is also placed there.

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Cabinet construction - drawing

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
- E – Otwór na kable
- F – Rama
