Information:

The Extralink rack cabinet in grey, measuring 6U (600 × 600 mm), is the perfect solution for wall mounting in offices and server rooms, as well as in spaces for monitoring CCTV installations. Made from cold-rolled steel, it features tempered glass doors that can be opened to the left or right. With a height marking of 6U and easy disassembly of the side panels, the cabinet is both functional and user-friendly. The design allows for the installation of fans on the ceiling, ensuring effective cooling of the equipment. Removable side panels and cable entry points enhance installation flexibility. The cabinet is easy to transport, reducing shipping costs, and supports both wall and standing installation.
