Price: **419.00 zł** gross / 340.65 zł net

Manufacturer: EXTRALINK

Referention number: DNXXGFMPKIRMMLK

Information:

The Extralink 9U 600 × 450 rack cabinet is a solid steel 19" cabinet for wall mounting or floor-standing use, ideal for offices, server rooms and CCTV installations. Made from cold-rolled steel sheet, it features a welded, reliable construction and full metal doors that can be fitted to open to the left or right, with an opening angle of over 180°. Marked vertical rails make equipment installation easier, while removable side panels with locks and keys improve servicing convenience. The top panel allows for the installation of 2 fans and includes an additional cable entry, with cable openings also located at the top and bottom.

Full product description

EXTRALINK 9U rack cabinet, 600x450, with tin doors

The **Extralink** rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The external walls are made of cold-rolled steel sheet. Cabinet doors are made of solid sheet metal with the possibility of opening to the left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

Vertical rails have a corresponding height designation, which is **9U (unit)**. The total height of the cabinet is **50.5 cm**.

Easy removal of side walls

Snap fasteners on the side walls allow for their disassembly. **Locks and keys are included.**

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Fan-installed ceiling

On the ceiling of the cabinet there are **2 places to install fans** for better cooling of the devices, as well as **additional conduit** for pulling out cables.

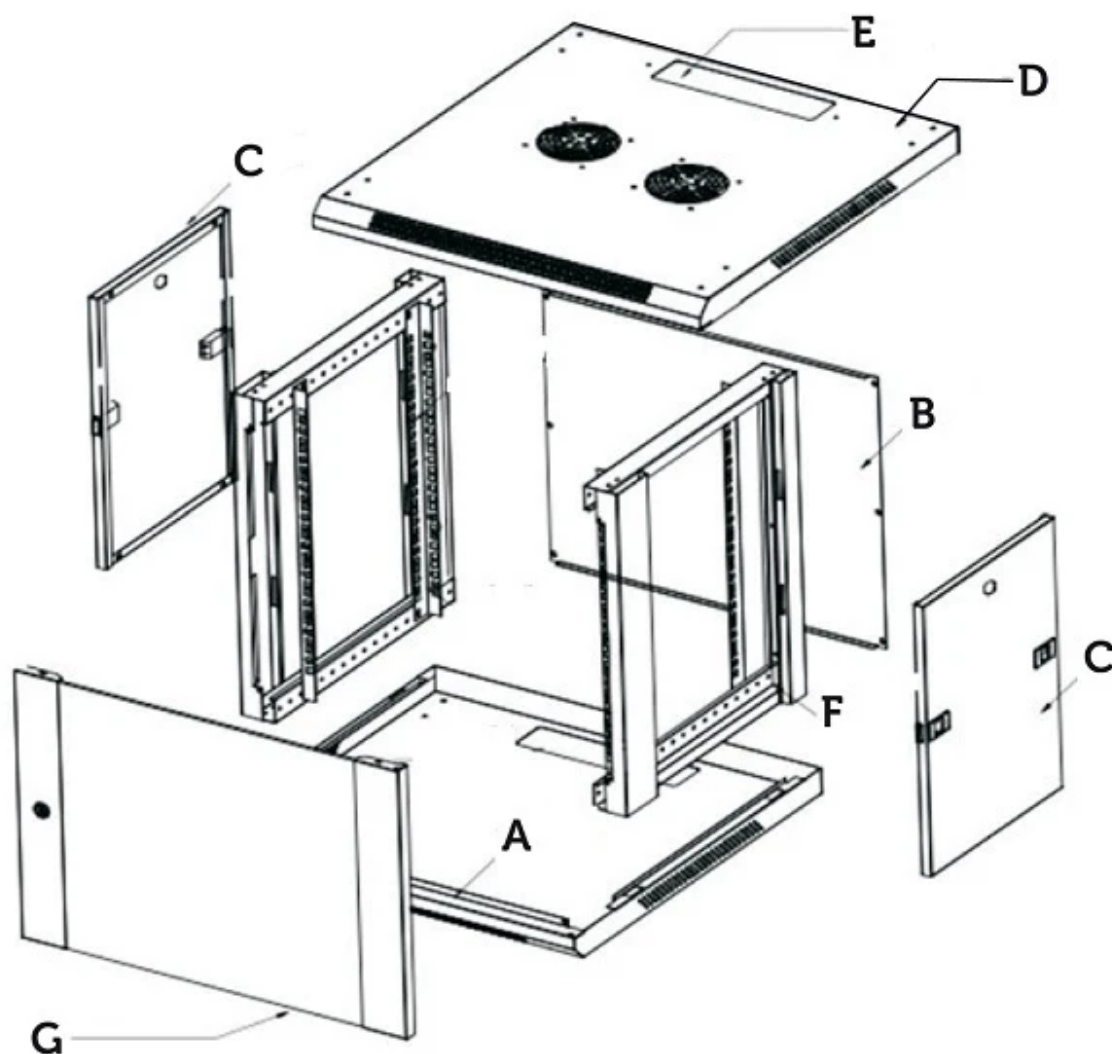

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Cabinet construction - drawing

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
- E – Otwór na kable
