Information:

The Extralink 9U 600x450 grey rack cabinet is the perfect solution for organising cables and equipment in offices, server rooms, and technical spaces. Its wall-mounted design saves space, while the locking doors made of tempered glass ensure the security of the devices. The straightforward installation process, which requires no specialised tools, along with the option to mount it on either the right or left side of the wall, makes the cabinet practical and flexible. Constructed from durable cold-rolled steel, with a welded frame and removable side panels, it offers easy access to the interior. Two cooling holes in the ceiling allow for the installation of a fan, enhancing the cooling of the devices. The cabinet's dimensions (498 mm in height, 600 mm in width, and 450 mm in depth) accommodate a variety of devices in the 19" rack standard, ensuring ergonomics and convenient access.

Full product description

EXTRALINK brand rack cabinet in gray - 9U, 600 × 450

Extralink's rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The outer walls are made of cold-rolled steel sheet. Equipped with a pane of tempered glass, the front door can open to the left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

The vertical rails have the appropriate height marking, which is **9U (from unit)**, while the total height of the cabinet is **50.5 cm**.

Easy disassembly of side walls

The latches on the side walls allow for removal. **Locks and keys are included.**

Professional locking rack cabinet

Protection, order and
aesthetics in one.
Perfect for organising
home spaces, offices and
server rooms.

The ceiling of the cabinet adapted for the installation of fans

On the ceiling of the cabinet there are **2 places for installing fans** for better cooling of the devices, there is also **an additional pass-through** for cables.

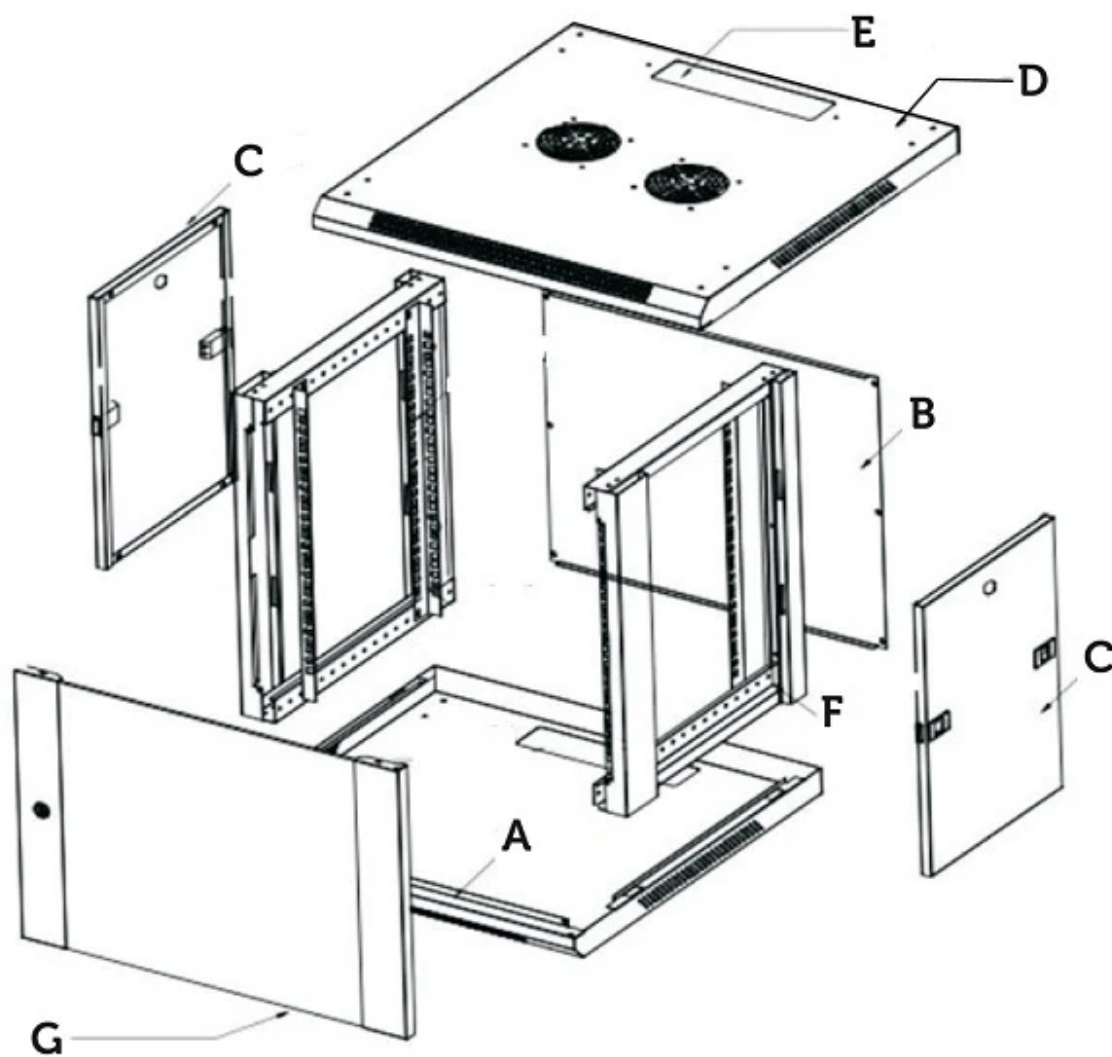

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Cabinet construction - drawing

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
- E – Otwór na kable
- F – Rama
