Price: **469.00 zł** gross / 381.30 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFMPMDRMIL

Information:

The Extralink 9U 600×600 rack cabinet is a solid steel 19" cabinet for wall mounting or floor standing, ideal for offices, server rooms and CCTV installations. Made from cold-rolled steel sheet, it provides a durable and reliable structure. The full metal doors can be fitted to open to the left or right, and the opening angle exceeds 180°. Removable side panels with locks and keys make access easier, while the 9U height marking and total height of 50.5 cm help with equipment organisation. The top is designed with 2 spaces for fans and additional cable entry points, which improves cooling and cable management.

Full product description

EXTRALINK 9U 600X600 tin door rack cabinet

The Extralink rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The external walls are made of cold-rolled steel sheet. This cabinet model has doors made of solid sheet metal, with the possibility of opening to the left or right side.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

Vertical rails have a corresponding height designation, which is **9U (unit)**. The total height of the cabinet is **50.5 cm**.

Easy removal of side walls

Snap fasteners on the side walls allow for their disassembly. **Locks and keys are included.**

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Fan-installed ceiling

On the ceiling of the cabinet there are **2 places to install fans** for better cooling of the devices, as well as **additional conduit** for pulling out cables.

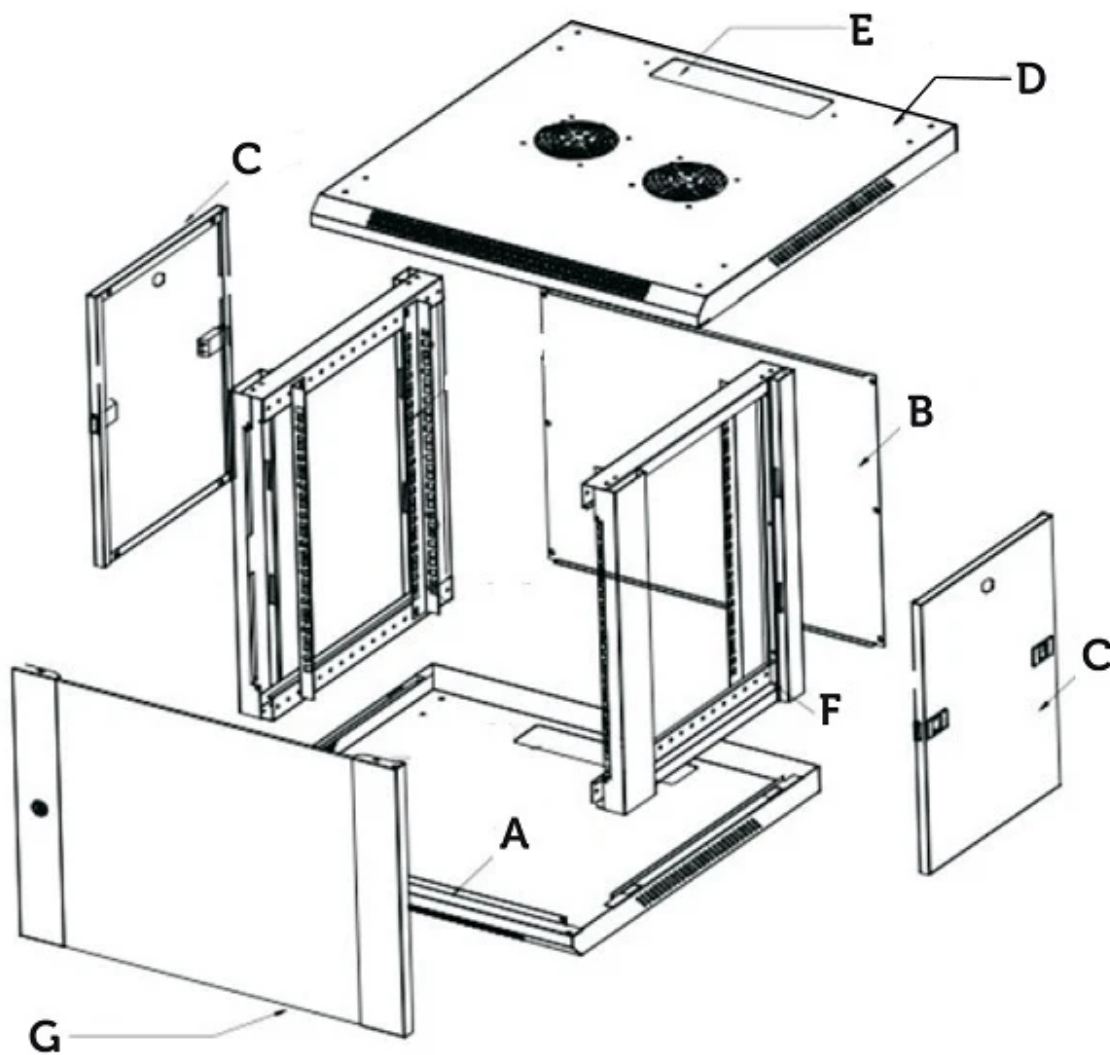

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive.

You can easily do it yourself – no need to call a technician!

Cabinet construction - drawing

- A – Ściana dolna, spód
- B – Ściana tylnia
- C – Ścianki boczne, wypinane
- D – Górna pokrywa
- E – Otwór na kable
