Information:

The Extralink rack cabinet in grey, with a height of 9U and dimensions of 600 × 600 mm, is the perfect solution for wall mounting in offices, server rooms, and for CCTV installations. Made from cold-rolled steel, it features front doors made of tempered glass that can open in both directions. Height markings on the vertical rails and the easy removal of the side panels, thanks to the latches, ensure user convenience. The cabinet offers spaces for fans and an additional cable pass-through, supporting effective cooling of the devices. Its design allows for standard 19" mounting and easy transport. Removable side panels and cable entry points at the top and bottom facilitate installation, while the front doors, with a rotation angle exceeding 180 degrees, provide easy access to the interior.
