Information:

EXTRALINK Beard Shaving Cape Black is a practical and stylish shaving cape that effectively catches falling hair, helping to keep the bathroom clean and saving time on tidying up. Easy to use thanks to the suction cups attached to the mirror, it sits comfortably around the neck and can be emptied quickly after shaving. Made from high-quality materials, it is lightweight, compact, and easy to store and take on trips. Its elegant black colour gives it a modern look.

Full product description

Discover comfort and cleanliness while shaving with EXTRALINK Beard Shaving Cape

EXTRALINK Beard Shaving Cape Black is an innovative and functional accessory for men who value convenience and order while shaving. This sleek black apron is designed to collect fallen hair, preventing bathroom clutter. Made of high-quality materials, it is easy to use, carry and store.

Effectiveness in collecting hair

EXTRALINK Beard Shaving Cape Black effectively collects fallen hair, making it easy to keep your bathroom tidy. This saves you time cleaning up after shaving. This accessory is a must-have for any man who wants to keep his bathroom clean and tidy.

Ease of use

Simply clip the EXTRALINK apron to the mirror with the suction cups, then put it around your neck. When you're done shaving, simply detach the suction cups and discard the collected hair. This product is designed for maximum user convenience.

Stylish design

The sleek black color of the EXTRALINK Beard Shaving Cape Black apron makes the product look modern and stylish. This accessory not only performs its function, but also looks great in any bathroom.

Compactness and portability

EXTRALINK Beard Shaving Cape Black can be easily folded and stored in a small space. It is ideal for home use and travel. Its compactness makes it an excellent purchase for men who are often on the go.
