Information:

Extralink Moonwalk Luna is a compact treadmill for everyday walking at home, ideal for small flats. The maximum speed of 6 km/h makes it perfect for gentle walking while working or watching a series. The quiet, brushless motor ensures smooth, energy-efficient operation without disturbing the peace at home. The wide, textured running belt and advanced cushioning increase comfort and stability, while protecting the joints. Convenient remote control makes it easy to use.

Full product description

Daily Walks in the Comfort of Your Home

If you are looking for a convenient and compact treadmill that will help you take care of your health and fitness, **Extralink Moonwalk Luna** is the perfect solution. Thanks to its **maximum speed of 6 km/h**, this treadmill is designed **for gentle walks** that you can do without leaving home. In addition, its **small size** means it will fit easily even in small rooms, providing full functionality and convenience.

Start jednym przyciskiem bezprzewodowe inteligentne sterowanie pilotem

Wyposażona w dedykowany pilot oraz wielofunkcyjne inteligentne sterowanie, pozwala na obsługę za pomocą jednego przycisku

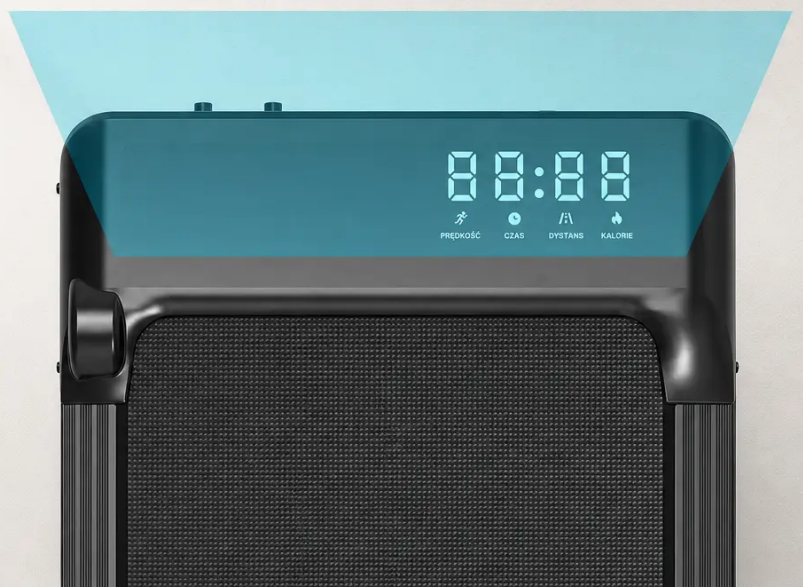

Key advantages

- **Compact:** small dimensions – ideal for small flats.
- **Quiet brushless motor:** discreet and energy-efficient operation that does not disturb household members.
- **Joint protection:** advanced cushioning for comfortable walking.
- **Control:** can be operated using a remote control.
- **Ideal for walks:** designed for gentle walks (up to 6 km/h) while working or watching a series.

Wbudowany panel wyświetlacza LED

W przedniej części urządzenia wbudowano wyświetlacz LED. Po uruchomieniu można na bieżąco śledzić dane treningowe oraz dostosowywać tryby i programy ćwiczeń.

Quiet operation and energy efficiency

The treadmill is equipped with a brushless motor that ensures smooth and quiet operation, even during longer walks. This means you can exercise without worrying about noise that could disturb other household members. What is more, this motor is energy-efficient, which reduces energy consumption and makes the treadmill environmentally friendly.

Szeroki i płaski pas biegowy bieganie bez ograniczeń

Powierzchnia biegowa jest płaska i gładka, zapewnia
dużo miejsca na swobodny ruch w lewo i prawo, a
długie kroki oraz boczne zmiany pozycji są wygodne i elastyczne

380MM

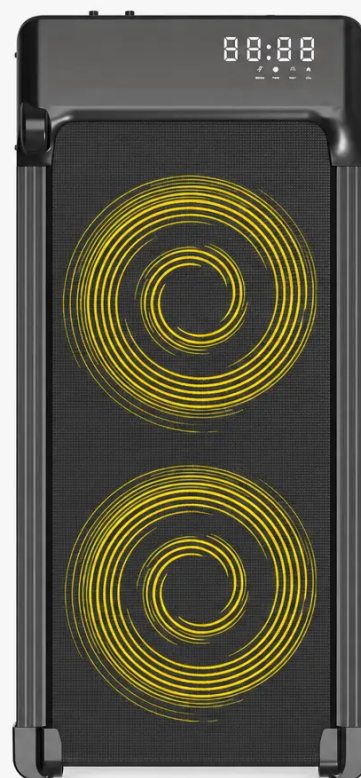

Comfort of use

With a wide running belt, the Extralink Moonwalk Luna treadmill provides a comfortable and safe space for walking. In addition, the cushioning system protects your joints from strain, making treadmill walks comfortable and safe for your health.

Elastyczna amortyzacja

Skutecznie chroni Twoje kolana

System elastycznej amortyzacji z wielopunktowym tłumieniem wstrząsów pomaga odciążyć stopy i kolana.

Comfortable Running Belt

The running belt in the Extralink Moonwalk Luna provides comfort and stability during walks. Its wide, textured surface guarantees better grip, allowing you to take confident steps even during longer workouts. It is a solution that makes every walk comfortable and safe, regardless of exercise intensity.

Cichy silnik pozwała cieszyć się bezpiecznym bieganiem

Dzięki cichemu silnikowi, oszczędności energii i ochronie środowiska, zapewnione jest stabilne zasilanie. Biegaj płynnie i cicho – trenuj z pełnym spokojem.

Inteligentna regulacja częstotliwości
