Price: **13.99 zł** gross / 11.37 zł net

Manufacturer: EXTRALINK

Referention number: DNXFMPHLJRMMLK

Information:

Extralink CAT6 STP RJ45 keystone is a shielded, self-clamping socket for quick and easy installation without the use of crimping tools. It ensures compliance with international structured cabling standards and provides a stable connection for Cat6 cables. The shielding helps protect the network from signal interference, and support for Gigabit Ethernet up to 100 metres makes it a practical solution for reliable network installations.

Product features

Connector(s)	RJ45
Cable shielding	U/FTP (STP)
Material	Metal
Product colour	Steel
Connector gender	Female
Cable standard	Cat6
