Referention number: DN XF MJ PQ MR MN LH

Information:

The shielded RJ-45 cat. 6A connector by Extralink is designed for terminating twisted-pair cables. Equipped with 8 gold-plated pins, it provides a stable and reliable network connection. The plug has been designed for cables with solid conductors, while the shielding helps reduce interference and improve data transmission quality. It is a practical solution for creating high-performance network connections in Ethernet installations.

Product features

Connector(s)	RJ-45
