Price: **45.01 zł** gross / 36.59 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFOLKIRMMJO

Product features

Protective insulation	Yes
Stripping capacity (min)	0.125 mm
Stripping capacity (max)	3 mm
Product colour	Black

Full product description

Extralink CFS-3

The **CFS-3 stripper** is designed to prepare fiber optic cable before welding, to remove **250µm** buffer coating from **125µm** fiber optic cable, as well as 2-3mm protective sheaths. A **140µm** diameter hole and V-shaped groove in the working part of the tool are used to remove **250µm** buffer coating from **125µm** diameter optical fiber.

Features of the CFS-3 optical stripper

- The tool does not require adjustment
- No scratches or scrapes on the fiber optic cable.
- The tool is equipped with a locking latch to lock in place
