Full product description

Cleaning cartridge

[Extralink](#) fiber cleaning cartridge with cleaning tape. The **tape is used for dry** cleaning of **ferrules in fiber optic connectors**. The cartridge can be used to clean the connectors without alcohol.

Antistatic properties are fully maintained due to high density of microfibers in the cartridge.

Types of connectors that can be cleaned

The cleaning cartridge allows you to quickly and easily clean a variety of connector types: **SC, ST, FC, LC, MU, MPO, MTRJ** or **MT**.
