

Extralink DAC SFP+ | SFP+ DAC Cable | 10Gbps, 3m, AWG30

link to the product:

<https://www.batna24.com/gb/p/sfp-modules/extralink-dac-sfp-sfp-dac-cable-10gbps-3m-awg30>

Price: **74.64 zł** gross / 60.68 zł net

Manufacturer: EXTRALINK

Referention number: DNXEKPQQFRMNHN

Product features

Maximum data transfer rate	10 Gb/s
Product colour	Black
Maximum transfer distance	3 m
Connector 2	SFP+
Connector 1	SFP+

Full product description

Efficient and cost-effective 10G 3M AWG30 SFP DAC cable from Extralink

DAC SFP cables are high-performance, cost-effective input/output solutions for 10Gb Ethernet networks and 10G fiber channels. With copper DAC SFP cables, equipment manufacturers can achieve high port densities and reduce setup, operation or power costs. The high-speed cable assemblies meet and often exceed **Gigabit Ethernet and Fibre Channel** industry standards for performance and reliability. The **Extralink DAC SFP 10G** cable provides **10 Gbps** transmission speeds over a distance of **3 meters**. It is ideal for use in SANs, NAS, storage servers, ultra-high bandwidth switches and routers, or data center network infrastructure.

Special features

- Backward compatibility at 1 Gbps
- Support for multi-gigabit data rates up to 10.5 Gbps
- Support for 1x, 2x, 4x and 8x Fibre Channel data rates
- SFP 20PIN footprint, hot-plugging support
- I/O connector designed for high-speed differential signal applications
- Improved Pluggable FormFactor (IPF) compliance for enhanced EMI/EMC performance
- Low power consumption < 0.5 watts
- 3.3 V power supply

- Compatibility with MSA SFPs
- RoHS compliance
