Price: **5.99 zł** gross / 4.87 zł net

Manufacturer: EXTRALINK

Referention number: DNXEFIJHRMLLM

Information:

Extralink SC/APC Fast connector is a fast fibre optic connector designed for FTTH networks, enabling quick termination of optical cables, cross-connections and installation repairs. It is also suitable for various switching nodes and other optical networks requiring an APC-type connector. It is characterised by very low attenuation, not exceeding 0.3 dB, which ensures a stable and efficient fibre optic connection.

Product features

Fiber mode structure	Single-mode
Full duplex	No
Connector type	SC/APC
Product colour	Black
Connector gender	Male

Full product description

Extralink SC/APC Fast connector

Extralink SC/APC Fast connector is a high speed SC/APC connector for FTTH. It is used for terminating optical cables and **fast cross** - connection, cable repair, different switching nodes in FTTH networks. The attenuation **does not exceed 0.3 dB**. Besides FTTH networks, these connectors can be used in all optical networks where **APC type** connectors are required.
