### Full product description

#### Extralink FC Fast connector

**Extralink FC Fast connector** is used to terminate optical cables with **G652 and G657** fibers with 125 µm primary sheath. It is used for terminating optical cables and fast cross-connection, cable repair, various switching nodes in **FTTH** networks. In addition to FTTH networks, these connectors can be used in all optical networks where **UPC-type** connector is required.
