Full product description

Extralink Projector Floor Stand Bracket - mobility and convenience

The projector stand by Extralink is indispensable in any space - from the living room to the office to the conference room. With an adjustable height from 60 to 120 cm and a sturdy three-legged design, it provides full stability and convenience of use. Its compact size makes it take up minimal space, and its easy assembly allows you to quickly adjust it to your needs. In addition, the universal tray size fits most projectors, and the lightweight design (only 1.9 kg) makes it ideal for travel as well.

Key features:

- **Adjustable height:** **Adjustable** in height from 60 cm to 120 cm, allowing it to fit perfectly in any room.
- **Compact and lightweight:** The design is easy to fold, making it simple to transport and store.
- **Sturdy design:** Stable three-legged legs ensure safety during use.
- **Universal size:** 36x26 cm tray fits most projectors.
- **Easy to use:** Simple adjustment and assembly mechanism makes it quick to set up.

Advantages:

- **Takes up little space** - ideal even for small rooms.
- **Stability and security** - the projector stays in place, without the risk of shifting.
- **Easy assembly** - you can easily assemble it in minutes thanks to the intuitive parts kit.
