Full product description

Revolution in healthy cooking - Extralink SJ-650B oil-free air fryer

Discover the modern Extralink SJ-650B hot air fryer, which lets you enjoy your favourite dishes without excess fat. It is the perfect solution for people who value a **healthy lifestyle** and full flavour. Thanks to **hot air circulation technology**, you can fry, bake, grill and reheat with up to **90% fewer calories**, while retaining the crispness and aroma of your food.

Less fat, more health

Reduce the amount of fat
you consume by up to **90%**
while preserving the excellent
taste of your food

Key Benefits You Will Love:

- **Spacious 6.5L basket:** Ideal for family meals and gatherings with friends.
- **1800W power:** Ensures fast and even heating, saving your time.
- **Intuitive LED touch panel:** Simple and pleasant operation at the touch of a finger.
- **8 automatic programmes and defrost function:** Cooking becomes child's play, even for beginners.
- **Transparent window:** Allows you to monitor the cooking process in real time without having to open the appliance.
- **Non-stick coating:** Makes cleaning easier and ensures comfortable use.
- **Dishwasher-safe:** Both the basket and tray are dishwasher-safe, saving you time.
- **Automatic shut-off:** Increases safety and saves energy.
- **Universal voltage:** Suitable for standard electrical installations in Poland.

6.5L Air Fryer

Tasty meals without unnecessary fat

9 cooking functions

 Precise control with a timer and adjustable temperature

XXL capacity and innovative features for the whole family

The **6.5-litre capacity** oil-free fryer is an excellent choice for families and social gatherings. Equipped with **8 automatic programmes**, a defrost function and an intuitive LED touch panel, it guarantees comfort and ease of use. The SJ-650B model also offers practical solutions such as a non-stick coating, dishwasher-safe parts and a **transparent window for monitoring the cooking process**.

Compact air fryer size

4.5Kg

Healthy food without compromising on taste

The Extralink hot air fryer lets you prepare crispy chips, juicy chicken or aromatic vegetables **without a drop of oil**. This makes it the perfect alternative to **traditional frying** - less fat and fewer calories, with the same exceptional taste. This appliance supports **healthy eating habits** for the whole family while saving you time.

Safety and everyday convenience

The SJ-650B model provides **automatic shut-off**, which increases user safety, and the universal voltage means it is compatible with Polish electrical installations. **No fat splashes** and unpleasant odours make cooking clean and comfortable. It is an **indispensable appliance** in any kitchen that cares about health and convenience.

Stylish design and functionality in one

The black Extralink SJ-650B oil-free fryer with a **transparent window** combines modern aesthetics and practicality. Thanks to its **elegant appearance**, it will fit perfectly into any kitchen décor, enhancing cooking comfort and looking great on the countertop. It is the **ideal hot air fryer** for demanding users.
