Price: **203.32 zł** gross / 165.30 zł net

Manufacturer: EXTRALINK

Referention number: DNXXGGMNLHRMMKK

Information:

Grill GL-603 is a practical garden grill ideal for preparing food outdoors. Its round design ensures even heat distribution, making grilling convenient for family and friends. The closing lid helps maintain the right temperature and protects food from wind and rain, so grilling is possible even in less favourable conditions. Built-in wheels make the grill easy to move, while the stable, solid construction guarantees safe and comfortable use.

Full product description

The perfect outdoor barbecue

The **GL-603** grill is ideal for **outdoor grilling enthusiasts**. Its **circular design** ensures even heat distribution, allowing you to prepare tasty dishes for family and friends.

Lockable lid

The grill's lockable **lid** not only helps maintain the right temperature inside, but also protects your food from adverse weather conditions such as rain or wind. This allows you to grill even in **harsher weather conditions**.

Mobility

The **GL-603** grill is **equipped with wheels** that make it easy to move. You can easily move it from place to place to find the perfect spot for grilling.

Stable construction

The **GL-603** grill is designed for **stability during use**. Solid construction and durable materials ensure that the grill stays in place even during heavy use.
