Information:

Extralink Home SJ-520 is a modern air fryer with an XXL 5,2 l capacity and 1600W power, ideal for the whole family. Hot air technology allows you to prepare crispy, tasty dishes with a minimal amount of oil, supporting a healthier diet and saving energy. The appliance offers 7 automatic programmes, a digital LED display, automatic shut-off and a convenient basket with a non-stick coating that is dishwasher-safe. A transparent window makes it easy to monitor cooking, while the baking, grilling and reheating functions make it a versatile solution for everyday cooking.

Full product description

Innovative oil-free air fryer for a healthy family

Discover the Extralink Home SJ-520 — an air fryer that revolutionises the preparation of everyday meals for the whole family. Thanks to its **XXL 5.2-litre capacity** and **1600W power**, the appliance quickly and efficiently prepares crispy dishes while minimising the use of oil. It is the ideal solution for families **who value health** without compromising on taste.

Fast cooking with our air fryer

**Adjustable temp.
80°C – 200°C**

The higher temperature range
lets you finish cooking
up to **20% faster** than
with conventional fryers.
No need to wait long
for delicious treats.

Health and savings in one device

Hot air frying technology allows you to prepare dishes that are **much lower in calories**, while preserving their aroma and crispness. The Extralink oil-free fryer is an excellent way to **reduce fat in the diet of the youngest family members**, while also shortening cooking time, which means lower energy consumption too.

Air Fryer 5.2L

Tasty meals without unnecessary fat

8 cooking functions

 Precise control with timer and adjustable temperature

Intuitive operation and safe use

The **digital LED display** and **7 automatic programmes** make the appliance easy to use even for the least experienced users. The **automatic shut-off** function guarantees safety during frying, which is especially important in homes with children.

Air Fryer 5.2 L 1600W

Up to 70% lower
energy consumption

90% less fat

Thoughtful solutions for family comfort

The large basket with a **non-stick coating** and dishwasher-safe design make cleaning the fryer quick and convenient. The **transparent window** allows you to monitor the frying process without having to open the appliance, further increasing ease of use.

AIR FRYER 5.2L

Ideal for a delicious meal
for 5 people!

Versatility and reliability in everyday cooking

The Extralink Home SJ-520 is not just an **XXL oil-free fryer** — it is a device that bakes, fries, grills and reheats, adapting to the needs of the whole family. As a result, one appliance replaces several others, **saving space and time in the kitchen**.

Variety of dishes
