Full product description

Extralink Home Night Light Four Hearts 3D Optical Illusion USB.

The Four Hearts 3D Night Lamp is the perfect combination of functionality and design that will delight both children and adults. Thanks to the unique **3D optical illusion** effect, the lamp creates a three-dimensional image that looks like a living thing. It is a perfect decoration for a bedroom, children's room or living room and a great gift idea for any occasion

An eye-catching 3D effect

The lamp uses **3D optical illusion** technology , creating a unique image of four hearts with the word "Love". This makes it not only a functional light source, but also **a decoration** that will transform any interior. Its **acrylic panel**, combined with LED backlighting, creates an extraordinary visual effect.

Soft LED light - perfect for nighttime

The lamp emits a soft LED light that does not glare the eyes and promotes relaxation. It is perfect as a bedside **lamp** in a child's room, in a bedroom or as a subtle lighting in a living room. LED technology provides energy efficiency and durability, so the lamp will last a long time.

Versatility and ease of use

Thanks to **the touch button** on the stand, operation of the lamp is quick and intuitive. **It ' s ideal for a variety of occasions**, from a birthday gift, to a Christmas decoration, to a functional everyday light. Its stylish design makes it a great choice for both children and adults.
