Full product description

Extralink Home Teddy Bear Night Lamp with 3D Illusion - Perfect Decoration for Bedroom.

The 3D Teddy Bear with Heart bedside lamp is the perfect combination of style, functionality and magic. Its 3D **optical illusion** creates an amazing effect that delights both children and adults. Thanks to **the 3D optical illusion effect**, the lamp stands out for its unique look and is the perfect addition to a child's room, bedroom or living room.

Striking design with optical illusion

The lamp creates an unusual **3D** effect, making the teddy bear with a heart look like a three-dimensional object. It is not only a source of light, but also a **decorative lamp** that will add charm to any room. Its unique design makes it **an ideal choice for a bedroom, children's room or living room.**

Soft and gentle LED light

The lamp emits **subtle LED light that does not glare in the eyes** and creates a pleasant atmosphere. It is perfect as a bedside lamp in a child's room or a gentle illumination in a bedroom. Thanks to the use of LED technology, the lamp is energy-efficient and ensures long-lasting use.

Versatile power supply - USB or batteries

The light can be powered in two ways: with a **USB cable** (included) or **AA batteries** (not included). Thanks to this versatility, you can use it both near an outlet and in places where access to electricity is limited.
