The Extralink art set is a creative case for children aged 3 to 10, supporting the development of imagination, manual skills and concentration. It contains as many as 150 safe items for drawing, colouring and painting, including 36 markers, pencil and wax crayons, oil pastels, watercolours, and accessories such as a brush, palette, scissors, glue and a sharpener. Everything is neatly organised in a handy case, ideal for use at home, in nursery and while travelling. It is a practical and versatile set that inspires creative play and the discovery of talents.

Full product description

Develop your child's creativity

Have you ever wondered how best to support your little one's natural need to create? Introducing **an art set for painting in a suitcase** that offers everything you need to develop **artistic passions**. With **150 pieces** and a practical form, this set makes drawing and painting a real pleasure for both little artists and their parents. It's a comprehensive tool for **expressing emotions** and discovering talents.

Unlock Your Child's Artistic Potential

A child's development is a fascinating journey, and **drawing** and **painting** play a significant role in it. Every parent knows that artistic expression changes with age, and our **art kit** is designed to support this evolution from an early age. Art activities not only stimulate **imagination** and manual skills, but also enable a toddler to better deal with emotions by transferring them to paper. This comprehensive collection of tools makes sure that your child is free to explore different techniques and discover their preferences, which promotes all-round development. It's not just a drawing kit, it's a key to the world of children's expression.

Everything in One Place: Convenience for the Parent

You know that feeling when you're looking for your favorite crayon that disappeared somewhere in the artistic chaos? With our **painting set in a suitcase**, those times can be a thing of the past. The whole thing is housed in a practical and aesthetically pleasing **suitcase**, which means that all the accessories you need for drawing are in one organized place. No more searching for missing items - each **crayon, pastel or marker** has its designated place. The suitcase is not only tidy, but also convenient to transport. You can easily take the entire **mobile set** on a trip, to the grandparents or to school, which makes the artistic adventure can accompany the child anywhere.

A Wealth of Possibilities: As many as 150 Action Ready Elements

What sets this **art set** apart is its extraordinary completeness. With as many as **150 pieces**, it offers your child unlimited creative possibilities and allows them to experiment with different techniques. Whether your child prefers the intense colors of **pastels**, the softness of **watercolor paints**, the precision of **pencil crayons** or the clarity of **markers**, this set has it all. Here's what makes it so versatile:

- 36 markers
- 24 pencil crayons
- 24 candle crayons
- 24 oil pastels
- 12 watercolor paints
- 20 paper clips
- 1 brush
- 1 palette
- 1 scissors
- 1 stapler
- 1 pencil
- 1 eraser
- 1 ruler
- 1 sharpener
- 1 glue
- 1 sponge

Creative Journey Without Borders

The **painting set** is not only a tool, but above all an inspiration for **creative play**. It's the perfect support for any child who wants to develop their **artistic skills** and express themselves through color and form. It offers a variety that ensures that every child will find something for themselves, regardless of skill level or artistic preference. It makes sure that **painting** and **drawing** are always accessible and encouraging.
