Full product description

Take care of the security of your most valuable belongings with the Extralink Home S-404 safe.

This elegant white home safe is the perfect solution for those who appreciate both functionality and aesthetics. Thanks to its sturdy construction and ease of use, this product will be perfect for both home and office interiors.

Modern and universal design

Extralink Home S-404 is a safe that fits perfectly into any interior with its white color. Its compact size makes it easy to place in various places, both at **home and in the office**. In addition, the elegant design of this product makes it not only a functional item, but also a decoration of any room.

Reliable security features

This [home safe](#) is a real armored cash box for your valuables. Made of sturdy 2 mm thick iron with a 3.5 cm thick door, it provides solid protection against burglary attempts. **The key lock box with mechanical lock** guarantees easy and quick access for authorized persons only.

Ease of installation and versatility of use

With the included mounting studs and screws, the safe can be easily installed in a convenient location for maximum protection. Its **light weight** (2.7 kg) makes it easy to carry, which further enhances its functionality. The Extralink Home S-404 is a product that will work well for securing documents, money, as well as other valuables.
