Full product description

If you're looking for a sturdy safe for your home or office, the Extralink Home S-404 is the perfect solution.

It will provide safe storage of your valuables, documents and other valuable items. The armored cash box in an elegant gold color is not only practical, but also a stylish addition to any interior.

Robust construction

Extralink S-404 home safe is made of **high quality iron**, which provides excellent protection against burglary and mechanical damage. The thickness of the door is as much as 3.5 cm, which makes this safe extremely secure.

Easy to install

The product is equipped with **2 mounting studs along with screws**, which allows quick and easy installation anywhere - on the wall or in furniture. This allows the safe to be stably fixed, which further increases the security of stored items.

Reliable protection

The safe is equipped with 3 keys, allowing only authorized persons to access the contents. This is an ideal **key locker** for anyone who values security and comfort.
