Full product description

Ensure complete security and peace of mind with the Extralink Home S-404

This elegant black home safe is the perfect solution for those who appreciate both functionality and aesthetics. Thanks to its sturdy construction and ease of use, this product will be perfect for both office and home interiors.

Stylish and discreet design

The Extralink Home S-404 is a safe that, thanks to its black finish, fits perfectly into any interior, regardless of its style. Its compact size (17/23/17 cm) makes it easy to hide in various places, both **at home and in the office**. The subtle design makes it both functional and aesthetically pleasing.

Solid protection for your values

This **home safe** is a real **armored cash box** for your valuables. Made of sturdy 2 mm thick iron with a 3.5 cm thick door, it provides solid protection against burglary attempts. **The key lock box** equipped with a reliable mechanical lock ensures that only an authorized person will have access to the safe's contents.

Easy to install and use

With **the included mounting studs** and screws, the safe can be easily installed in a convenient location for maximum security. Its light weight (2.7 kg) makes it easy to carry, further adding to its versatility. The Extralink Home S-404 is a product that will work well for securing documents, money and other valuables.
