Full product description

Keep your most valuable belongings safe with the Extralink Home S-404 safe

This unique pink [home safe](#) is designed for people who appreciate both style and functionality. Sturdy construction and easy installation make this safe perfect for both home and office use.

Compact and elegant design

Extralink Home S-404 is a safe designed with modern interiors in mind. Its pink color makes it not only perform its function, but also an interesting decorative element. Thanks to **its compact size**, the safe will be perfect for any room, whether it is a home or office.

Exceptional security features

This product is more than just a stylish accessory. Made of durable iron with 2mm thick walls and a 3.5cm door, it provides sturdy protection for your valuables. **The key locker** ensures that only you will have access to the contents, and the extra keys included provide peace of mind in case you lose the original one.

Ease of installation and use

Mounting the safe is quick and easy with the included mounting studs and screws. This means **you can place it virtually anywhere** - in a closet, under a desk or in another discreet place. Its light weight (2.7 kg) makes rearranging it no problem, and its solid construction ensures long-lasting use.
