Full product description

Secure your valuables with Extralink Home Safe Book S-405

This is a unique product that combines the functionality of a safe with the look of a book, fitting perfectly into any interior. Thanks to its sturdy construction and thoughtful design, it provides a high level of security for your money, jewelry, or other small valuables.

Discreet cache

The Extralink Home S-405 book safe looks like an ordinary book, making it perfectly camouflage its contents. **The steel cache** hidden inside is invisible at a glance, making it the perfect place to store valuables in your home or office.

Robust construction

This product is made of durable **steel material**, which guarantees the safety of stored items. The steel box inside the case is resistant to mechanical damage, and the keys to the lock ensure easy access only to authorized persons.

Practical dimensions

Thanks to its compact size, **the S-405 money box** will easily fit on a bookshelf or in a drawer. It's an ideal choice for those who are looking for a simple but effective way to hide their valuables within easy reach.
