Meet **the Extralink Home Universal Capsule Coffee** Maker - a device that will make your every morning special! With universal adapters, the machine allows you to enjoy your favorite coffee from a variety of capsules, meaning you can customize your cup to suit your mood each day. The sleek **black design** matches any interior, giving your home a modern touch and style. It's an ideal product that brings convenience and taste to your life at an affordable price.

**Discover the full
and intense
aroma
of coffee**

The versatility of capsules - any coffee you want

Extralink Home Universal Capsule Machine is a true revolution that allows you to use a variety of capsules available on the market. **The machine** is equipped with **5 interchangeable adapters**, allowing you to use capsules from different brands, such as Nespresso, Dolce Gusto and many others. Thanks to this versatility, you can enjoy a variety of coffee flavors every day, without having to limit yourself to one company.

The image features a black and white Extralink coffee maker on a white surface. A white cup of coffee is placed on the machine's drip tray. To the right of the machine, seven circular icons are arranged vertically, each showing a different type of coffee adapter. The background is a blurred kitchen scene with green plants and a window.

5 INTERCHANGEABLE ADAPTERS

for 7 different types of coffee!

Easy to use - perfect for every day

Thanks to **its intuitive interface**, operating the Extralink coffee maker is extremely easy. Just by pressing one button, you can prepare your favorite coffee in less than a minute. The machine is perfect for everyday use when time is of the essence and you want to enjoy perfect coffee effortlessly.
