Full product description

Extralink Home Eternal Rose in Glass Luminous LED - Symbol of Eternal Love

The LED-lit **eternal rose in glass** is the perfect choice for any occasion - from Valentine's Day to birthdays. This unique flower **symbolizes love, beauty and longevity**, and with its **LED** illumination it creates a magical, romantic atmosphere. Packaged in an elegant **box**, it is ready to give as a **perfect gift**.

LED pink

Symbol of Eternal Love

A romantic Valentine's Day scene. In the foreground, a glowing LED pink rose is encased in a clear glass dome, sitting on a black base. The rose is illuminated from within, casting a warm pink glow. To the left of the dome, there are two wine glasses, one of which contains a red liquid. Behind the glasses are several red heart-shaped balloons and a small gift box wrapped in red and white striped paper. The entire scene is set on a light-colored wooden surface.

The eternal rose in glass is more than a simple **gift** - it is a **symbol of love** that never fades. Precisely crafted, realistic **rose** is deceptively similar to a living flower, but will never wilt. This **unique** piece will become a decoration of any interior, attracting attention with its timeless charm.

Elegance and romance

A luxurious rose embedded in a glass dome symbolizes eternal love and beauty.

A perfect gift for special occasions.

LED backlighting for a romantic atmosphere

The subtle **LED** light introduces a warm, romantic aura that creates the perfect atmosphere in the bedroom, living room or desk. **The glowing rose in glass** looks phenomenal both during the day and in the evening, giving the room a unique character. This is **a great gift idea** for a loved one.

Striking LED backlighting

The subtle LED light gives the rose a magical glow, creating an atmospheric ambience.

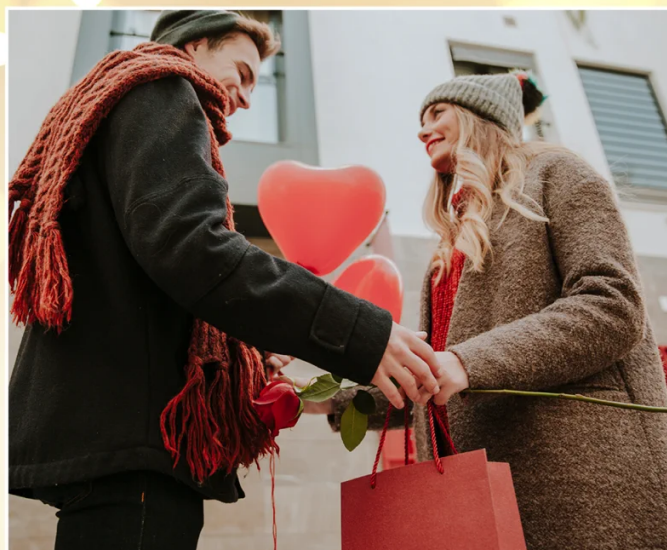

Glass dome - durability and protection

The rose is housed under a stylish **glass dome** that protects it from dust, damage and dirt. This elegant solution makes the product durable and luxurious, while ensuring its perfect appearance for a long time.

The perfect gift for any occasion

The perfect choice for birthdays, anniversaries,
Valentine's Day, Mother's Day or weddings.

Ease of use and mobility

The perpetual rose in glass LED light runs on **3 AAA batteries** (not included), allowing it to be placed anywhere. An on/off switch ensures ease of use, and the lack of wires makes it ideal for any interior.

Handcrafted details

Precision craftsmanship with attention to detail, making the rose a unique decorative piece.

A stylish addition to interiors

Fits perfectly with modern,
romantic and classic decor.
