Price: **249.00 zł** gross / 202.44 zł net

Manufacturer: EXTRALINK

Referention number: DNXGGKKJDRMLLP

**Product features**

|                                     |               |
|-------------------------------------|---------------|
| Height                              | 39.6 mm       |
| LED indicators                      | Battery level |
| USB charging port                   | Yes           |
| Width                               | 183 mm        |
| Depth                               | 83.2 mm       |
| USB output current                  | 2 A           |
| Fast charging                       | Yes           |
| Storage temperature (T-T)           | -20 - 70 °C   |
| Cables included                     | USB Type-C    |
| Built-in pressure gauge             | No            |
| USB ports quantity                  | 2             |
| Battery capacity                    | 10000 Ah      |
| Built-in flashlight                 | Yes           |
| Short circuit protection            | Yes           |
| Polarity reverse circuit protection | Yes           |
| Charger compatibility               | Universal     |
| DC output voltage                   | 5             |
| Operating temperature (T-T)         | -20 - 60 °C   |
| Notebook charging tips              | No            |
| AC adapter included                 | No            |

|                            |                      |
|----------------------------|----------------------|
| Car power adapter included | No                   |
| Compressor included        | No                   |
| Carrying case              | Yes                  |
| On/off switch              | Yes                  |
| Output current             | 400 A                |
| Booster cables length      | 200 mm               |
| Built-in radio             | No                   |
| Jumper cable length        | 0.2 m                |
| Charging current           | 2 A                  |
| Flashlight modes           | High                 |
| Battery technology         | Lithium-Ion (Li-Ion) |
| Power source type          | DC                   |
| Starting current           | 400 A                |
| Jumper cable included      | Yes                  |
| Light colour type          | White                |
| Product colour             | Black                |
| USB output voltage         | 5 V                  |
| Built-in display           | No                   |
| Built-in air compressor    | No                   |
| Watch case material        | Plastic              |
| Product weight             | 900 g                |
