

# Smart Wi-Fi Plug

With Energy Monitoring

HS110

Remote Access

Scheduling

Energy Monitoring

Away Mode

Kasa for Mobile

# Highlights

## Easily Manage Your Home Electronics Anytime, Anywhere

The Smart Plugs are easy to set up, and make it easier to manage your home electronics anywhere in the world with a tap of your smartphone. You can also schedule the Smart Plugs to automatically power electronics on and off as needed.

## Compatible with Amazon Alexa or Google Assistant for Voice Control

You can use Kasa to pair TP-Link smart home products with Amazon Alexa or Google Assistant, giving you the ability to control your home with voice commands.

# Features

## Ease of Use

- **Anywhere and Anytime** – Easy setup and control devices connected to the Smart Plugs anywhere with the free Kasa app.
- **Schedule and Timer** – Schedule the Smart Plugs to automatically power electronics on and off as needed, like setting lights to come on at dusk or turn off at sunrise.

## Compatibility

- **Works with Amazon Alexa or Google Assistant** – You can pair the Smart Plugs with Amazon Alexa or Google Assistant for voice control.
- **Compatible with Android, iOS** – The free Kasa app lets you run Smart Plugs from any Android (4.1 and higher) or iOS (iOS 9 and higher) devices.

## Energy Conservation

- **Energy Monitoring** – You can efficiently conserve energy and save money while using the Smart Plugs to control your space heaters and fans. The Smart Plugs track your device's power consumption in real-time, and have weekly and monthly summaries.

# Specifications
