Full product description

Xiaomi Air Fryer 6.5L Black EU for everyday cooking

Xiaomi Air Fryer 6.5L Black EU, BHR0840EU, MAF10 is a black oil-free fryer with a capacity of 6.5 l, which helps prepare breakfasts, lunches, dinners and snacks with less fat. The large basket makes the device a good fit for a family kitchen, and the elegant black housing blends harmoniously with many interior arrangements.

Convenient preparation of meats and vegetables

The Xiaomi fryer allows you to prepare grilled chicken, vegetables, fries, fish, snacks and baked goods without the need to use a large amount of oil. Hot air evenly surrounds the ingredients, helping to achieve an appetizing crispness and juicy interior of the dishes.

Snacks for gatherings and family meals

The 6.5 l model works well during shared dinners, get-togethers with friends and movie nights. The spacious basket allows you to prepare a larger portion of wings, fries, nuggets or other snacks without heating up a large oven.

Help in preparing lighter dishes

Xiaomi Air Fryer 6.5L Black EU helps prepare fish, vegetables and meats in a simple way. Salmon, asparagus, potatoes or other ingredients can gain an appetizing texture without the need for deep frying.

Large capacity for the whole family

The 6.5 l capacity makes the device well suited for preparing larger portions of meals. This makes it easier to prepare lunch or dinner for several people, without having to bake dishes in several stages.

Black housing that fits many arrangements

The elegant black finish makes the fryer look good in both bright and darker kitchens. It can remain on the countertop, so it is always ready to prepare everyday meals.

Not just fries

The Xiaomi oil-free fryer offers a wide range of uses in the everyday kitchen. You can prepare bread, vegetables, meats, fish, breakfasts and various kinds of snacks in it, which helps diversify the daily menu.

Everyday cooking in a convenient way

Xiaomi Air Fryer 6.5L Black EU will work well both when preparing a quick breakfast and a full lunch or dinner. The large capacity and wide range of uses make the device help in everyday meal planning for the whole family.
